ATTACHMENT C

AFFIDAVIT of
Special Agent Brian Snedeker
Drug Enforcement Administration
Bristol, Virginia

1. I, Special Agent Brian Snedeker, being duly sworn hereby depose and say:
2. The purpose of this application and affidavit is to secure a search warrant for the premises known as 214 S. Iron Street, Apartment 2, Marion, VA. This affiant, after obtaining and reviewing information, believes there is evidence of distribution of methamphetamine and/or conspiracy to distribute methamphetamine at 214 S. Iron Street, Apartment 2, Marion, VA in violation of 21 USC 841(a)(1) and 846/841(a)(1).
3. I am a Special Agent with the Drug Enforcement Administration (DEA) and have been so employed for approximately (28) years. During my employment I have received comprehensive classroom training from the Drug Enforcement Administration in specialized narcotic investigative matters including but not limited to drug interdiction, drug detection, money laundering techniques and schemes, smuggling, and the investigation of individuals and organizations involving the smuggling, cultivation, manufacturing, and illicit trafficking of controlled substances and controlled substance precursors. I have participated in the investigations and subsequent arrests of hundreds of individuals involved with the trafficking of methamphetamine (a Schedule II Controlled Substance). I have also executed hundreds of search warrants related to the trafficking and manufacturing of methamphetamine.
4. The facts set forth in this affidavit are known to me as a result of information provided to me by other law enforcement officers. Any reference to the gender of any unnamed person within this affidavit does not necessarily reflect the true gender of said person.
5. During February 2020, an admitted methamphetamine trafficker advised law enforcement (against her own penal interest) that she sold over \$3,500 worth of methamphetamine for Deborah Wojciechowicz during a single week in mid-February 2020.
6. During late February 2020, law enforcement utilized a confidential source to perform a controlled purchase (surveilled, monitored, and recorded by law enforcement) of methamphetamine from a methamphetamine trafficker (hereafter referred to as "Trafficker A") who had the confidential source take Trafficker A to Deborah Wojciechowicz's residence to obtain the methamphetamine being purchased. The confidential source advised law enforcement that he had to wait outside while Trafficker A went inside to Wojciechowicz's apartment [Apartment 2] to obtain the methamphetamine. Upon exiting Wojciechowicz's apartment, Trafficker A provided the confidential source with the methamphetamine.
7. During late February 2020, approximately (½) ounce of ice methamphetamine was seized during a motor vehicle stop in the Western District of Virginia. An occupant of

the vehicle advised law enforcement that the methamphetamine had been purchased at Deborah Wojciechowicz's apartment.

8. A review of Deborah Wojciechowicz's criminal history revealed the following:
 - 07-08-2013 felony conviction for Distribution of a Schedule I or II controlled substance.
 - 09-09-2013 felony conviction for Distribution of a Schedule I or II controlled substance.
 - 02-13-2015 charged with felony Distribution of a Schedule I or II controlled substance and subsequently convicted on 04-09-2015 of a felony probation violation.
9. This affiant is aware based on his training, experience, and conversations with other law enforcement officers that individuals who distribute and/or conspire to distribute methamphetamine typically maintain methamphetamine, methamphetamine distribution paraphernalia (small, plastic, Ziploc-type baggies, digital scales, etc.), notes, records, messages, and telephone numbers (pertaining to methamphetamine trafficking related contacts/co-conspirators/customers), and other items as listed and explained on Attachment B (of the Application and Affidavit for Search Warrant to which this affidavit is attached) on their persons, inside their residences (and the residences/distribution locations they utilize for narcotics trafficking purposes) and related garages, outbuildings/barns, campers, vehicles (or the vehicles they operate), and inside of vehicles registered to other persons when those vehicles are parked at or in the immediate vicinity of the trafficker's/conspirator's residence/property/distribution location.
10. This affiant is aware based on his training, experience, and conversations with other law enforcement officers that persons who distribute and/or conspire to distribute methamphetamine routinely have individuals who are customers and/or co-conspirators present at their residences (and the residences/distribution locations they utilize for narcotics trafficking purposes) and related, garages, outbuildings/barns, and campers. These customers/co-conspirators are typically drug users and drug traffickers themselves as they generally sell some (if not all) of the methamphetamine they purchase in order to make a profit, pay for their own drug habits, or both. These customers/co-conspirators often illegally possess methamphetamine and drug use paraphernalia along with notes, records, messages, and telephone numbers (pertaining to the acquisition/distribution of methamphetamine), and other items as listed and explained on Attachment B (of the Application and Affidavit for Search Warrant to which this affidavit is attached) on their persons and in their vehicles (or the vehicles they operate) which are oftentimes parked at or in the immediate vicinity of their sources'/co-conspirators' residences/properties/distribution locations.
11. This affiant, on multiple occasions during the last several years, has had methamphetamine distributors and/or manufacturers destroy/attempt to destroy evidence (methamphetamine and/or mixtures containing methamphetamine) of methamphetamine distribution and/or manufacturing during the execution of federal search warrants. During these incidents, once the methamphetamine

trafficker/manufacturer became aware of a law enforcement presence at his/her residence for the purpose of executing a search warrant, the trafficker/manufacturer quickly and easily disposed/attempted to dispose of methamphetamine and/or related mixtures by flushing same down a toilet or rinsing same down a sink inside the residence. In one particular incident during 2019, this affiant had reliable information that a methamphetamine trafficker possessed multiple gallon sized Ziploc-type plastic bags that each contained multiple pounds of methamphetamine. By the time law enforcement officers reached the trafficker's master bathroom during the execution of a federal search warrant at the trafficker's residence, they found methamphetamine residue/crystals scattered about the floor around the toilet and (2) one gallon Ziploc-type bags laying next to the toilet with one bag containing residue and the other containing approximately (1) ounce of methamphetamine. In that particular incident, this affiant believes multiple pounds of methamphetamine were successfully flushed down the toilet by the methamphetamine trafficker before he retreated to another room in the house where he was subsequently apprehended.

Based upon the above, this affiant believes there is reasonable suspicion that knocking and announcing the presence of law enforcement officers at the time of the execution of this search warrant would result in the destruction or attempted destruction of evidence (methamphetamine) by the occupant(s) of the residence.

12. Deborah Wojciechowicz's known residence is 214 S. Iron Street, Apartment 2, Marion, VA.
13. Based upon the facts set forth above, I believe there is probable cause for the issuance of a search warrant for the premises known as 214 S. Iron Street, Apartment 2, Marion, VA (located within the Western District of Virginia) as there is probable cause to believe that there is evidence of a violation of 21 USC 841(a)(1) and 846/841(a)(1) at said premises.
